

# 2018 Voluntary Page and Overlength Article Charges

Updated 3/14/18

Note: Voluntary page charges do not apply to open access articles.

Title	Voluntary Page Charges	Overlength Page Charges	Page Break: Regular	Page Break: Short	Page Break: Brief or Communication	Tutorial	Page Break: Invited	Letters	Surveys	Page Break: Review
Aerospace & Electronic Systems	\$110	200	10	6				6		
Aerospace & Electronic Systems Magazine										
Affective Computing	\$110	\$220	12							
Annals of the History of Computing										
Antennas & Propagation	\$110	\$200	8	4	4					
Antennas & Propagation Magazine										
Antennas & Wireless Propagation Letters	\$110	\$200	1							
Applied Superconductivity	\$110									
Audio, Speech & Language Processing	\$110	\$220	10	6						
Automatic Control	\$110	\$125	12		6					
Automation Science Engineering	\$110	\$175	12	6	4					
Big Data	\$110	\$220	12							
Biomedical Circuits & Systems	\$110	\$125	11	9						
Biomedical & Ciccuits & Systems Magazine										
Biomedical and Health Informatics	\$110	\$110/\$250	8	2	10					12
Biomedical Engineering	\$110	\$110/\$250	8	3						
Broadcasting										
Circuits & Devices Magazine										
Circuits & Systems for Video Technology	\$110	\$125	11	5			11	5		

<b>Title</b>	<b>Voluntary Page Charges</b>	<b>Overlength Page Charges</b>	<b>Page Break: Regular</b>	<b>Page Break: Short</b>	<b>Page Break: Brief or Communication</b>	<b>Tutorial</b>	<b>Page Break: Invited</b>	<b>Letters</b>	<b>Surveys</b>	<b>Page Break: Review</b>
Circuits & Systems Magazine										
Circuits & Systems, Part I	\$110	\$125	11	9						
Circuits & Systems, Part II	\$110	\$110/\$175		5						
Cloud Computing	\$110	\$220.00	12							
Cognitive Communications and Networking	\$110	\$220	8							
Cognitive and Developmental Systems	\$110	\$200	10	6		20		4	15	
Communications	\$110	\$220	8							
Communications Letters	\$110	n/a	3							
Communications Magazine										
Components, Packaging and Manufacturing Technologies	\$110	\$175	8							
Computational Biology and Bioinformatics	\$110	\$220	12							
Computational Imaging	\$110	\$220	12							
Computational Intelligence & AI in Games	\$110	\$200	10	6		20		4	15	
Computational Intelligence Magazine										
Computational Social Systems	\$110									
Computer Aided Design of Integrated Circuits & Systems	\$110	\$110/\$175	9	5						
Computer Architecture Letters	\$110	\$220						4		
Computer Graphics and Applications Magazine										
Computer Magazine										
Computers	\$110	\$220	12
